The tenders without chellan for having remitted the required earnest money deposit will be rejected.

It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is enclosed. If it is omitted the cover will not be opened and rejected as it is.

The tenderers should quote rates only for the units and nature of work specified in the tender form. If rates are quoted for alternative works instead of specified nature of work, such tenders will be disqualified.

The final acceptance of the tenders rests with the Government, which is not bound to accept the lowest or to furnish any reason therefor.

Estimates and plans will be available for reference in the Office of the undersigned and any other particulars required on all working days during office hours.

The successful tenderer should bind himself by the departmental rules in force and execute the necessary agreement within a week of acceptance of the tender, failing which the earnest money will be forfeited to Government.

Quantities noted in the abstract estimate are only approximate and may be less or more.

The rates quoted by the tenderers should hold good till completion of the work irrespective of the fluctuation in rates.

The rates quoted should be inclusive of all existing and new taxes payable as per Government rules.

In case of any accident to the labour employed by the accepted tenderer, he should pay compensation to the injured as per rules, failing which the amount will be deducted out of bills and other claims and paid to the injured.
